GANDHI SCHOOL OF ENGINEERING

*An Institution
Beyond Education*

About Us

Gandhi School of Engineering was established in 2008 in Berhampur region of Ganjam District of Odisha. The institute offers Diploma courses in engineering stream across 5 different specializations. Admissions are granted on the basis of first-come-first-serve-basis for both the regular and lateral entry admissions. OJEE examinations are accepted for lateral entry admissions.

Gandhi School of Engineering is maintaining green campus having conducive study environment with excellent infrastructure equipped with students' facilities aimed to enhance the all round growth in Science & Technology for nurturing the young minds of our students. The institute also has marvelous achievement with an excellent placement scenario through many top recruiting companies / industries / corporate sectors who visit the campus every year. Additionally, the valuable service provided to students by experienced and highly qualified faculty members makes GSE an eminent engineering institution on academic and technological front.

Gandhi School of Engineering has been approved since 2008 by All India Council for Technical Education (AICTE), New Delhi, Recognized by DTET, Cuttack, SD&TE Department, Govt. of Odisha and Affiliated to State Council of Technical Education & Vocational Training (SCTE&VT) to offer the following Diploma Engineering Branches.

Approval Status

Gandhi School of Engineering is affiliated to State Council of Technical Education and Vocational Training (SCTE & VT), Odisha.

Gandhi School of Engineering is approved by All India Council of Technical Education (AICTE), Ministry of MOE, Govt. of India, New Delhi.

Opportunity after Diploma Engineering

Many Industries, Companies, Corporate Sectors and Software Hubs of our State and other States of our Country have been recruiting Diploma Engineering Students on regular basis mostly through On–Campus Selection and Off – Campus Recruitment.

Central Government Public sector organizations have been conducting All India Examinations every year and recruiting Diploma Engineering Students.

After Diploma Engineering there is wide scope for students to pursue B. Tech through Lateral Entry (3 yrs) and thereafter M.Tech and Ph.D course to get job in Technical Universities, Research and Development organisations and other industrial establishments.

The Ministry of Defence, Govt. of India has given facility providing 50% grace marks for Diploma Engineering Degree holders for entry through Agneepath Schemes to get jobs in Defence (Air Force, Army, Naval, BSF, CRPF, CISF and other Police and Fire services).

14 years journey towards excellence...

GANDHI SCHOOL OF ENGINEERING is one of the leading Engineering School in south Odisha situated at the Foot of Chidananda Hills, Bhabandha, Berhampur, Ganjam. It is a Polytechnic institution took birth, developed and governed under the management of Saraswat Educational & Charitable Trust,(SECT) in 2008 and started functioning with an annual intake of 420 students, 180 in Mechanical Engineering, 120 from Electrical Engineering, 30 in Information Technology ,30 each from ETC and civil engineering. It is approved by the A.I.C.T.E (All India Council for Technical Education.)H.R.D. department, Government of India and S.C.T.E & V.T (State council for Technical Education and Vocational Training) Government of Odisha and it also earned a merit certificate by ISO 9001: 2015.

We also provide extra Courses to our students such as Auto-Cad, Computer Hardware and Networking, Robotics, PPT Classes so that they can face the global challenges of the Industries. As communication is also plays vital role for interactions between he/she with his/her peers - if he/she can communicate well, then he/she are less likely to use violence and get into trouble so, we also provide Language Lab to the students.

Fact Sheet

1) Programme: Diploma in Engineering

2) Courses:

Electronics and Telecommunication Engg. (E&TC)

Mechanical Engg. (ME)

Electrical Engg. (EE)

Civil Engg. (CE)

Information & Technology (IT)

3) Year of Establishment: 2008

4) Facilities : Academic

- i) Free Coaching in 1st Year through day boarding scheme.
- ii) Free supply of digital learning materials
- iii) Mandatory Internship Training in Central Tool Room and Training Centre / Other Reputed Industrial Establishments in the Final Year.
- iv) Continuous Teaching – Learning process of interaction and evaluation of talent through Examination and doubt- clearing classes.

5) Hostel:

- i) Homely personalized care with strict discipline and 24 x 7 Security.
- ii) Conducive atmosphere of comfort living.
- iii) Daily Four times provision of Hygienic Food with Nutrient Menu.
(Breakfast- Lunch – Snacks – Dinner)
- iv) Strict monitoring of study-hour by Hostel Superintendent and Care Taker.
- v) Health care with First-Aid inside hostel & College Campus and need-based-Medical-Treatment in nearest Govt. Hospitals.

Academic Credentials

During the last 14 years of relentless journey, the academic credentials has acquired the potentials of a magnet in drawing the attention of aspiring Candidates to step-in into GSE Campus. The Teaching-Learning-Evaluation Methodology of Experienced faculties and the state-of-the-art Laboratories has sharpen and ignited creative outlook of the students to think beyond class-room teaching. The healthy academic atmosphere with its defined crystalline guidelines is unique in its own way, so to say, it's Incredible. The Alumni have reached the Apex in their Career Goal and are well known in the Community of Engineers.

We are very proud to be the ten glorious pass out batches that most of the students got recruited in some of reputed companies like Jindal Steel, Mahindra Satyam, L & T, Bajaj electrical, Wind World India Pvt Ltd, Takata India Pvt. Ltd, Dura Automotive Systems, Sigma Electricals & Manufacturing Corporation, Furecia Emission Control and Seating, Mando Automotive India Pvt. Ltd., IIC Technologies, Renault Nissan, CP Acqua culture Pvt Ltd, Stanley Black and Decker, Mahle Filters Ltd., Radiant Technologies, Spicer India Ltd. In the year of 2018 GSE achieved an award for providing best placement in south odisha (Given by OPESA)

Training and Placement Cell

Passed out students from this institution have secured placements at central Government organizations , like Doordarshan, Air, Telecom, educational institutions like NIT RKL, Medical colleges and offices of State Government of Odisha like Gridco, OPTCL etc. Many of them also been employed in public Sector undertakings Viz SAIL, NALCO, Wipro and private firms like Hitachi, Zindal , L&T , OCL,Wipro, Mando Break, Spicer India Ltd. and many others.
